Beech Street Center Engraved Brick Walkway

Order Form

Join in the historical creation of a permanent senior center for the Town of Belmont. You can purchase an engraved brick for the center's walkway in memory of a loved one, in honor of a person or event (birth, anniversary, etc.), or with your own name(s) in support of Belmont's Beech Street Center and the Council on Aging. This is a fund raising contribution that will live on and on as a permanent installation at the center.

Belmont High School has its own engraved brick walkway on Concord Avenue just east of White Field House. Visit it to see how exciting the Beech Street Center walkway will become with engraved bricks created by members of the Belmont community. Then hurry to purchase your brick.
